

Pre-Nursing

ADVISOR: Brian Gentry (physics)

An articulation agreement has been established with Shenandoah University in Winchester, Virginia for Hollins students seeking career opportunities in the field of nursing. Each year, SU will grant priority admission to a maximum of six qualified Hollins students into the Accelerated Bachelor of Science in Nursing (B.S.N.) program: three spaces for admission at the Winchester campus (fall start) and three for admission at the Leesburg campus (fall or spring start). Hollins students with a grade point average of at least 3.0 who have completed their baccalaureate degree (in any field), satisfied all general education requirements needed for their degree, and completed the following prerequisite courses (with a science GPA of 3.0 or above) are eligible to apply:

- BIOL 220/220L, BIOL 260, and BIOL 312/312L
- CHEM 101/101L or 102/102L or CHEM 105/105L or CHEM 221/221L or CHEM 351/351L
- PSY 144
- PSY 141 or SOC 110
- STAT 140 or STAT 251 or PSY 208

In addition to the courses listed above, one course in nutrition (not offered at Hollins) must be completed prior to enrollment at SU. Required course work for the Accelerated B.S.N. program will be completed at SU in 15 months after confirmation of the Hollins baccalaureate degree. The Priority Admission application deadline is February 15th. More information on this program can be found at <https://www.su.edu/nursing/bachelor-of-science-in-nursing/bsn-accelerated-second-degree/>.
