

When it comes to professional development, your best strategy is to *connect to expand your network*, gain leadership and work experience, learn to *highlight your transferable liberal arts skills* and *take ownership* of your career development and life design at Hollins and beyond. Our programs will get you where you need to go.  
You can access materials 24/7 here: [Career Center Workshop Materials](#).

**WORKSHOPS**

**How Do I Get There?** introduces job hunting resources including Handshake, alumnae and other LinkedIn groups, plus Signature and many other internships. Bring a laptop to navigate a landscape of opportunities!

**Rockin' the Resume and Cover Letter** in a computer lab allows you to *come in with drafts* and walk out with a polished presentation of your experiences and skills in targeted resumes and cover letters.

**The Incredible Interview** covers all aspects of preparing for and performing well in job interviews (Career Center staff can also run individual mock interviews by appointment).
