- Credit is awarded for courses taken at a regionally accredited college or university that are **deemed comparable to Hollins, with a grade of C (2.0 on a 4.0 scale) or better.**
- To determine if your course will transfer to Hollins, **please submit an official transcript(s) for evaluation.** The university registrar will evaluate your transcript(s) and complete a Transfer Credit Evaluation (TCE) form, which the transfer coordinator will send to you, and help answer your questions.
- Review your TCE carefully. **Sometimes the registrar will need additional information to evaluate your transcript(s),** such as a course description or syllabus for a particular course.
